# WELCOME TO 2025!

A message from Dr. Jeremy Jordan  
VAGD President

2025 President  
Dr. Jeremy Jordan and  
2024 Past President,  
Dr. Dani Howell

Dear Colleagues,

I hope this message finds you well and that you enjoyed a warm and fulfilling holiday season with your families, friends, and loved ones.

Whether you're a new member or a recipient of the prestigious Fellowship, Mastership, or Lifelong Service Recognition awards, the Virginia Academy of General Dentistry is here to serve you and help you achieve your personal and professional goals. Your passion for learning, dedication to improving patient care, and commitment to excellence make the VAGD such a dynamic and inspiring community. I'm genuinely proud to be a part of an organization that upholds these values and constantly strives to evolve and improve. It is truly an honor to serve as your President.

As we begin another year, I want to take a moment to acknowledge those who make it all possible—our Executive Director, Victoria Fahrenkrog, and our board of volunteers, who work tirelessly behind the scenes to provide us with diverse and high-quality continuing education opportunities, essential support for daily practice, and opportunities to connect with one another. It's because of their hard work that we're able to host exceptional continuing education events locally, and that our organization continues to grow and thrive. I'm pleased to share our 2025 Continuing Education Directory, and I hope you'll take full advantage of the courses and experiences available this year.

Thank you once again for your determination in advancing our profession. In the coming year, I encourage each of you to strive for excellence, pursue a professional goal, and engage with the VAGD. Together, we are shaping the future of dentistry in Virginia.

Best wishes,

*Jeremy C. Jordan, DDS*

Jeremy C. Jordan, DDS

President, Virginia Academy of General Dentistry
